2025

Evrima and *Ilma* begin 2025 in the sunny Caribbean before sailing for the isles and rivieras of the Mediterranean in late spring. The summer of 2025 marks the exciting debut of *Luminara*, as our newest superyacht joins *Evrima* in the Mediterranean while *Ilma* embarks on our inaugural sailings to Northern Europe. *Evrima* and *Ilma* return to the Caribbean in November, while *Luminara* sets sail on yet another first — voyages that call on the coasts of Africa and cross the Indian Ocean to the wonders of Asia.

2026

As *Evrima* and *Ilma* continue island hopping in the Caribbean, *Luminara*’s inaugural season in Asia extends into 2026, exploring from the Maldives to Thailand and arriving in Japan in time for cherry blossoms. As summer approaches, *Luminara* embarks on our first voyages to the breathtaking wilderness of Alaska. *Evrima* and *Ilma* return to the Mediterranean, with *Evrima* spending the warmest summer months in Northern Europe. Then, venture with *Evrima* at the end of 2026 to experience our inaugural season in Polynesia.

2026 / 2027

Rings of coral barrier reef and palm-fringed motus set the scene for roundtrip voyages from Tahiti on *Evrima* into spring. On relaxing transoceanic voyages, you'll cross the International Date Line and the equator to land in Hawai'i, exploring the Hana Highway on Maui or Hawai'i Volcanoes National Park on the Big Island. Voyage beyond on *Luminara* in early 2027 and encounter the incredible biodiversity of the Philippines and Indonesia, including special voyages from Bali through Komodo National Park.
