## neo COSTA ROMANTICA

### New horizons in luxury.

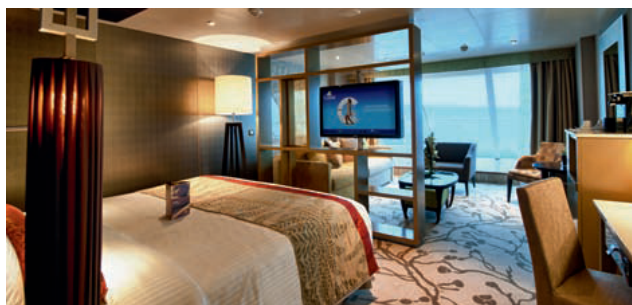

Brand new Costa neoRomantica will amaze you with its contemporary bright and sophisticated design, and you can see it wherever you are on board. Precious materials, high-tech solutions and gently lit settings invite you to be romantic and relax, whether with loved ones or friends. You can begin at the Enoteca Verona, where you can choose the wine you'd like to taste by the glass and imagine you're in one of Manhattan's chicest bars. The Maître will be able to recommend the best wine to go with the wonderful cheeses on the menu so that you can try a totally new gourmet experience. The entertainment flows with shows, performances and events with surprises around the corner in places all over the ship, night and day.
